

Minor Trade Waste (No Pre-Treatment) Agreement

Wannon Water agrees to accept trade waste discharge from the customer subject to the following conditions.

1. Type Of Discharge

- 1.1 The trade waste is of similar nature to domestic sewage.
- 1.2 The customer must notify Wannon Water immediately where it is proposed that the quality or quantity of the trade waste discharged to sewer is to change.
- 1.3 The customer must notify Wannon Water immediately where the nature and/or use of the property is to change.

2. Inspection and Monitoring

- 2.1 The customer must allow Wannon Water access to the property at times when Wannon Water reasonably believes the customer is operating the business for the purpose of monitoring and assessing the quality and quantity of trade waste.
- 2.2 Wannon Water may sample the trade waste from anywhere on the property and test the wastes physical and chemical parameters.

3. Trade Waste Management Policy

- 3.1 Any right, power, duty, obligation or requirement expressed in that Trade Waste Management Policy to apply to:
 - 3.1.1 the Customer, applies to the Customer;
 - 3.1.2 Wannon Water, applies to Wannon Water, under this Agreement.
- 3.2 The Trade Waste Management Policy may be varied from time to time by Wannon Water in which case any such modified version, from the date of its formal adoption, is substituted for the preceding version to form part of this Agreement.
- 3.3 Any breach or failure to comply with the Trade Waste Management Policy will constitute a breach of this Agreement.

4. Charges

- 4.1 The customer agrees to pay relevant fees and charges including but not limited to the minor trade waste (no pre-treatment) annual charge (calculated daily and charged on a quarterly basis), the trade waste volume charge and breach fees as stipulated in the Trade Waste Management Policy.
- 4.2 Where the customer is not also the owner of the property, the owner agrees to pay all fees and charges not paid by the customer and the owner acknowledges that any such fees are a lien on the property.

5. General

- 5.1 The customer acknowledges by its ongoing payment of charges (as required) its right to discharge trade waste pursuant to this Agreement.
- 5.2 Wannon Water has the right to change the customer trade waste classification due to the customer's changed circumstances or new information coming to the attention of Wannon Water.
