- (a) complete the Services by the Completion Date and any other dates for delivery specified in the Purchase Order;

3 Cancellation

Wannon Water may cancel the Services at any time by giving written notice to the Supplier who must, on receipt, immediately cease all work and take appropriate action to mitigate any loss or prevent further costs being incurred with respect to the Services. - (e) Invoices should accurately state the description of the services being supplied and under no circumstances is the description on an invoice to be altered.

5 Failure to perform

- (a) Without limiting any other available remedy, if the Supplier fails to provide any of the Services in accordance with the Agreement, Wannon Water will not be required to pay for those Services (until they are provided correctly) and may require the Supplier to remedy any default or re-perform the Services within the time specified in a notice (which must be reasonable having regard to the nature of the Services).
- (b) If the default referred to in **clause 5(a)** is not capable of being remedied or the Services are not capable of being re-performed, or the Supplier fails within the time specified to remedy the default or re-perform the Services, Wannon Water may either have the Services remedied or re-performed by a third party or do so itself. In either case, the Supplier must pay the reasonable costs incurred by Wannon Water in doing so.
