About the Project

Project name:

Description of the project: *Briefly describe the project, activity or event (100 words or less). You may attach photos, plans or maps if needed to describe the project (up to one attachment).*

Project implementation and timeframe:

Please tell us how you will carry out your project, including a list of the key stages of the project with an approximate timeline. Note, from the guidelines, projects this round must be implemented between December 2017 and June 2018. (200 words or less)

Proposed investment from Wannon Water:

Indicate the cash or in-kind investment sought from Wannon Water and what the investment will be used for. You may also attach a project budget.

Proposed investment from your group and other sources:

Indicate the cash or in-kind investment committed from your group and other sources and what the investment will be used for. It is a requirement that this investment matches the investment requested from Wannon Water. You may also attach a project budget.

Benefits of the project

Community benefit:

Describe how the project will benefit the community, what need(s) it addresses and how it will create a lasting impact for at least one of the themes in Wannon Water's Community Strategy: Regional Prosperity; Health and Wellbeing; Education, Training and Volunteering; and/or Natural Environment. (200 words or less)

Scale of impact:

How many people? How many activities? Which towns? How many local government areas? (100 words or less)

Alignment with Wannon Water

Describe how the project aligns with our mission to provide safe, reliable, innovative and sustainable water services and strengthen communities in south-west Victoria. (100 words or less)

Indicators for success:

With respect to the benefit to the community, the alignment with Wannon Water and the scale of the impact, what will you measure and report on to demonstrate the success of the project? (100 words or less)

Risks

Describe the risks associated with the proposal. How will any risks be managed?

Telling the story:

How will you tell the story of this project to the community and acknowledge this support from Wannon Water (media, social media, speeches or presentations)? Does this project present any opportunities for Wannon Water to promote key messages?

Acceptance of Guidelines

I have read, understand and agree to Wannon Water's *Ripple Effect Community Partnerships Guidelines*.

Submitting the application

To submit your application, please email this completed form with any attachments (see below) to **waterandbeyond@wannonwater.com.au**.

Applications close 5pm, Tuesday 21st November 2017.

You may attach up to three(3) concise and relevant supporting documents to this application. Please indicate below any supporting documents you will be attaching:

Information to help describe the project, eg maps, plans or photos

A project budget (in addition to budget information provided above)

Other, please specify
