The parties will endeavour to resolve any such dispute by negotiation in good faith.
- (c) Payment of an invoice is not evidence that the Services have been supplied in accordance with the Agreement or conform with the Specification but is merely payment on account.

- (e) Invoices should accurately state the description of the services being provided and under no circumstances is the description on an invoice to be altered.

In either case, the Supplier must pay to WW on demand the reasonable costs incurred by WW in doing so, and WW may deduct those costs from any sum payable by it to the Supplier.
- (c) Nothing in this **clause 4** derogates or otherwise limits any other remedy available to WW at law.

5 Defects
